

# Optimise your Welding Costs

In order to minimise cost, maximise profit and reduce downtime talk to the experts at Air Liquide.

**We're convinced we can help optimise your welding costs!**

For every welding cost optimisation audit requested we offer you to **try before you buy** with a **free\*** cylinder of welding gas suitable for your welding operation.

Apply today - complete the fax back form on the reverse of this leaflet and fax back to 01675 467022.

[www.uk.airliquide.com](http://www.uk.airliquide.com)

\*Terms and Conditions apply and offer excludes any helium based mixtures.
